Dear Gavelier,

Congratulations on achieving Advanced Gavelier Gold Communicator recognition! The Advanced Gavelier Gold Communicator award is the highest communication recognition our organization offers. You have demonstrated a commitment to excellence in communication by achieving this award.

You already have completed at least six Advanced Communication Program manuals, and each manual has helped you further develop your speaking skills. The advanced manuals have given you practical experience in handling a variety of speaking situations you may encounter in your personal life.

Through activities inside your Gavel club, you have gained many benefits. Conducting and coordination programs have helped you, the club, and others discover the value of improved speaking, thinking, and listening skills.

You also may wish to take advantage of the opportunity available to develop your leadership skills. Toastmasters International has several leadership awards available for you to earn.

I extend my best wishes for your continued success in the Toastmasters program.

Sincerely,

Daniel Rex  
Chief Executive Director

Dear Gavelier,

Congratulations! By earning the Advanced Gavelier Bronze Leader award, you have gained valuable leadership skills that will benefit you in many aspects in your life.

As a leader, you influenced and motivated followers to achieve a mission or goal. By being a positive influence, you helped members function productively and deliver quality performances.

You have served as a club officer, participated in the preparation of a Club Success Plan, and participated in a district-sponsored club officer training program. You've also completed two programs from *The Successful Club Series* and/or *The Leadership Excellence Series*. The skills you've learned will be beneficial to you in everyday life.

Your club also profits from the skills you have learned and shared. It has become stronger and more effective thanks to your commitment.

Best wishes for continued success in self-development through the Toastmasters program.

Sincerely,

Daniel Rex  
Chief Executive Director
